1. By G.O. No. 7C. 5455-6/Sta. 151-07. dt 25/4/08 a pension of Rs 4. was sanctioned to Bhima for a period of 12 years with effect from the 20th August 1903. At this time enquiry was made both by Govt and the I. G of Police as to the

the age of the pensioner and it was reported that his age was then about 8 years. This brought the year of his birth to 1900. Subsequently the Comptroller desired the Treasury officer to ascertain and report the exact date of birth of the pensioner. The Try officer reported it to be 6th May 1903. The boy was referred to the Dt. Medical officer Tumkur who is of opinion that he is about 10 years of age by appearance. The question now is — what date should be accepted as the correct date of birth, either 1900 or 6th May 1903. Before passing orders it seems necessary to know the authority under which the Treasury officer has reported the date to be 6th May 1903. May this be referred to the Comptroller U. O. for report?

and Soliciting orders under the circumstances explained as to what date should be adopted.

Order thereon. No 76 1970-1913 Nov 27/13

At the time of Sanctioning the pension on behalf of Bhima it was reported that he was about 8 years' old in May 1908 bringing the date of birth to 1900. The present report of the Treasury officer that the boy was born on the 6th May 1903 cannot be ~~accepted, based on the statement of the boy's mother, an interested party in the case~~ accepted by Govt as conclusive as it is not supported by any document. The former is likely to be more reliable than the latter. The Govt are accordingly pleased to direct that the ~~year~~ 1st March 1900 be ~~be of~~ adopted as the date of birth for ~~calculation of~~ the pension.
